A big anassi meeting was held in Philaelphin Tuesday night to protests against no attitude assumed by Canada in the shery question. Gov. Beaver presided and ringing resolutions were adopted in-isting that the right of American lishermen be protected and protesting against the re-establishment of any one sided reel-, yould treaty. Congressman Cogswell, of Insaachusets, was one of the speakers, ad in closing his remarks said. "This Thursday, January 5th, now the state of all dra and in view of it atof the wickedness truckling and in-impetency at Washington, I am inclined cany, not is a partisan. On for an hour Junes G. Blaken?" The idention of ir Blatte spraine aroused the wildest on ausiasm and for fully five minutes the di rang with cheers.

the leaders in the light of 1888 will be be some at in 1881. The result, as be re, will probably depend upon New ork state. Will New York choose Cleves and electors again this year? We think it the slope are that way, and by a placety much ampier than that of 1881—369: Wolde. the vote of New York State is essentia

a moorafic success, but the Republicans dispense with it and yet elect their ndidate. Conceding to the Democrats ie safe Democratic States with 153 elec--a) votes the Republicans can win with dish and Connecticut or Indiana and on Jeracy even abould New York go nogratid, which is by no means certain. withe Republicans carried Indiana in the last State election and also New Jersey; high in the rest election will be very wely to rail up a large vote in opposition. Mr. Cleyeland's free trade distrines, it ill be seen that the Republicans enter the

mpalge this year under most encourage for years the policy of the Republican arry on this question has been shaped in arvilla obelience to the requirements of rotected manufacturers, for they further things the property or grantless.

shed the money for campalgo expenses, ory volce raised within the party against algodions tyraney has been stifled, and command of men too honest and too not be sileneed have been driven in thurshis.—New York Times. The Times deludes itself with the idea ast reisrepresentation will take the place

argument. The best answer to the irst charge contained in the above extract found in the fact that among the most arnest opponents of the Democratic free de bill perore the last Congress came

m the ranks of the laboring men. As we the men who have delited out; of the earty they are, like the Times, free traders whose proper place is in the Democratic party which is to-day engaged in a scheme cripple American industry, and cut down wages to the foreign standard. The Republican party is no place for such men and is stronger without than with them; !

There is an echo to Mri Blaine's message from Parls, it comes from Ohio and is signed J. B. Foraker.—Providence Journal. FUR WORK, HO. 49 GROVE ST. If the Journal proposes to hold aloof MISS WYDE'S.

The Longerity of Hirds

The Liman race is not the only quothaches
the privilege of furnishing conferances,
There are several birds that have the pretension to easily much the age that Mr Chorreul has attained. Among the cardidate for
the prim of longovity any The Elevitir,
must be cited the eagle, the swan and the
ruce, which live for over a contury. The
perroquet, as well as the heron is content to
become a sampendrian. The sparrowhawit
lives to the age of 40, which is though live
wise reached by the duck and pelican. The
practical lives to be 25 the pictor 20 the
crane 24 the limits 25 the good like in the
lark 13 the black healed, warbler 15, the
blackbird 15 the drawy bird 24, the phesian
15 the thrush 10 the domestic cock 10, the
red threat 13 and the wrea 5 Scientific
